DELAMARE FARM

FARM VISIT & APPOINTMENT GUIDEBOOK

A practical guide for planning your Naivasha farm visit, preparing your booking details and making informed livestock enquiries.

Appointment booking fee
KSh 10,000

1. Before you book

• Choose a preferred appointment date and time during the published visiting hours: Monday–Saturday, 8:00 a.m.–5:00 p.m. Visits are by appointment. Your requested time is not confirmed until the farm team replies.
• Prepare your full name, reachable phone number, appointment purpose, preferred date and time, and payment transaction reference if payment has been made.
• Keep your payment confirmation message or receipt and enter the transaction code exactly as it appears.

2. Booking fee and guidebook

The appointment booking fee is KSh 10,000. Contact the Delamare Farm team directly to confirm the current payment instructions and applicable booking terms before making payment. The guidebook is a required part of the appointment process. Read it before submitting your appointment request.

The transaction code submitted through the website is for staff reference only. Submitting a code does not itself verify payment or confirm an appointment. The farm team must verify the payment and reply to confirm the booking.

3. Plan your visit

Location: Delamare Farm, Nakuru Road, Naivasha, Nakuru County, Kenya.
Contact: +254 117 447 640.
Visiting hours: Monday–Saturday, 8:00 a.m.–5:00 p.m.

4. During the visit

Tell the team what you want to achieve—such as viewing dairy cattle, discussing breeds, asking about animal feeds, chicks, breeding or farm services. Availability and prices may change, so confirm details with staff before making a purchase decision.

5. After submitting the online form

The form opens WhatsApp with your details and transaction code for the team to review. Send the message and wait for staff to verify the transaction and confirm your appointment. Do not treat the WhatsApp draft or a submitted form as proof of a confirmed booking.

Important: Confirm current charges, payment instructions, appointment availability and booking terms directly with the farm team before making payment.
